### Summary of reasons for decision:

The image file is deemed to be objectionable because promotes and supports the exploitation of children for sexual purposes, the use of violence or coercion to compel any person to submit to sexual conduct, and acts of extreme cruelty. Such an image can only be intended to sexually arouse those with an interest in the cruel sexual abuse of very young children. The classification of the publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention and reflects the concern of a free and democratic society to protect its young and vulnerable members from exploitation.
